ADVENTURE EDUCATION

North Star's onsite Marine Environment Centre is a very special experience for people of all ages.

Visit the most unique and educational museum on the Eastern seaboard of Australia, filled to the brim with natural history and exhibits from surrounding coastal environments.

The Marine Environment Centre's mesmerising displays of preserved marine life, microscope-to-big-screen projections of living organisms and stories of the ocean's 'mysteries of the deep' are designed to enlighten and amaze.

Join our Marine Biologist Ted during one of the public open sessions or book your group for an exclusive presentation.

Don't miss this once-in-a-lifetime opportunity to embark on a journey of discovery, where you will touch, see and hear the experiences that are part of our fascinating marine environment.

CALDERA KAYAK EXPERIENCE

Caldera Kayak Experience is a unique way to discover the beautiful estuaries and waterways of the Tweed, either by venturing out on your own or on a guided tour.

The Tweed Coast's estuaries are home to incredible wildlife, marine life and birdlife. You might spot Osprey, Azure Kingfishers or endangered Oyster Catchers, just to name a few. You may encounter some of our beautiful string rays and catch a glimpse of majestic Mount Warning.

Caldera Kayak Experience has been operating in the Tweed Shire for 15 years. Each year, various groups enjoy the experience of exploring the mangroves, seeing wildlife in their natural habitat and benefit from the wealth of local knowledge from the Caldera Kayak Experience tour guides.

Various options are available, including hourly, half-day and full-day kayak and stand up paddle board hire. Guided kayak paddle tours are available with optional snorkelling activities. There may also be an opportunity to include a short bush walk.

Light refreshment options are available for guided tours.

Experience everything the coastal estuaries offer from a totally different perspective and get up close and personal with nature.

The members who dined at Ripples on Friday night said it was good food and good value. The rooms were lovely and clean and comfortable. Reception was very responsive to our requests too.
